#### Anti-corrosion and Insulation Pipes for Steel Pipes

Steel Pipe 3PE/3LPE/FBE Anti-corrosion Production Line

Steel Pipe Inner Wall Shot Blasting and Rust Removal Equipment  
Steel Pipe Outer Wall Shot Blasting and Rust Removal Equipment  
Steel Pipe Internal and External Epoxy FBE Anti-corrosion Production Line  
External 3PE / Internal Epoxy Steel Pipe Anti-corrosion Production Line

Elbow 3PE Anti-corrosion Production Line

Pipeline Internal Anti-corrosion Repair Robot

PE Insulation Pipe Extrusion Production Line

Spraying and Winding Insulation Pipe Production Line

One-Step Polyurethane Insulation Pipe Production Line

One-Step PERT Insulation Pipe Production Line

Polyurethane High/Low Pressure Foaming Machine Equipment

Steel Casing Foaming Platform, Pipe Threading Unit

PU Foaming and Winding Equipment

NBR/PVC Rubber and Plastic Foam Pipe and Sheet Production Line

XPE Foaming Production Line

NBR/PVC Sheath and Profile Production Line

Mouse Pad, Floor Mat, Yoga Mat Equipment

Pre-fabricated Rubber Track Equipment

Pre-insulated Pipe Production Line

HDPE Water Supply/Gas Pipe Production Line

PPR Pipe Production Line

#### Heat Shrink Tube Extrusion Equipment

Single Arm Heat Shrink Tube Extruder

Double Arm Heat Shrink Tube Extruder

Continuous Heat Shrink Tube Expanding Equipment

Segmented Heat Shrink Tube Expanding Equipment

Terminal Heat Shrink Tube Expanding Equipment

Rain Skirt Expanding Equipment

Cable Heat Shrink End Cap

Finger Cot Expanding/Gluing Equipment

Heat Shrink Tube Glue Coating Machine

Insulating Tube Terminal

Continuous Thermoplastic Busbar

Heat Shrink Busbar Box

Heat Shrink Terminal

Heat Shrink Mid-span Joint

Insulating Shroud

Cable Repair Patch

Rain Cap

End Cap

High and Low Voltage Insulating Terminal

#### Heat Shrink Tube Continuous/Segmented Expanding Equipment
